Welcome Message from the President

Professor Dr Mohd Yazid Bin Bajuri

President, Malaysian Orthopaedic Foot & Ankle Society (MOFAS)
Organising Chairperson, 1st Conjoint MOFAS ASM 2026

Assalamualaikum warahmatullahi wabarakatuh and warm welcome to all.

On behalf of the Malaysian Orthopaedic Foot & Ankle Society (MOFAS), it is my great pleasure to welcome you to the 1st Conjoint MOFAS Annual Scientific Meeting 2026, held in conjunction with the SICOT Foot & Ankle Regional Meeting 2026, from 29th July to 1st August 2026 at the Putrajaya Marriott Hotel.

This inaugural meeting represents an important milestone for MOFAS and for the wider foot and ankle community in our region. It provides a timely platform to strengthen clinical excellence and regional partnership, while addressing evolving challenges and opportunities in orthopaedic foot and ankle care. Guided by our theme, “Precision Foot & Ankle Care in a Diverse Region: Innovation, Outcomes & Collaboration”, we aim to highlight how science, technology, and shared expertise can translate into better decision-making, measurable outcomes, and improved patient mobility. Our tagline, “Precision Today, Mobility Tomorrow”, reflects our commitment to delivering care that is not only advanced, but meaningful and sustainable for the patients we serve.

We have curated a dynamic programme designed to support both daily practice and future-ready development - featuring evidence-based updates, practical insights, and thought-provoking discussions across a range of subspecialty topics. Beyond the scientific content, the meeting is also an opportunity to connect with colleagues, exchange perspectives, and build enduring collaborations across institutions and borders.

We also acknowledge, with appreciation, the support of our sponsors and industry partners. Their contribution helps to broaden educational access and supports innovation in a manner aligned with professional integrity and patient benefit. We look forward to a mutually beneficial partnership that supports the advancement of foot and ankle care.

Whether you are joining as a surgeon, clinician, allied health professional, researcher, or trainee, we warmly invite you to participate fully - engage in the sessions, share your experiences, and take part in the collegial exchange that defines a meaningful scientific meeting. I am confident that this combined meeting will be both intellectually rewarding and professionally enriching, and that it will serve as a strong foundation for MOFAS meetings in the years ahead.

Thank you for your support, and I look forward to welcoming you personally in Putrajaya.

Welcome Message from the Scientific Chairperson

Dr Mohd Fadhli Bin Miskon

Scientific Chairperson, 1st Conjoint MOFAS ASM 2026

On behalf of the Scientific Committee, it is my privilege to welcome you to the 1st Conjoint MOFAS Annual Scientific Meeting 2026, held in conjunction with the SICOT Foot & Ankle Regional Meeting 2026, from 29 July to 1 August 2026 at the Putrajaya Marriott Hotel.

The scientific programme has been thoughtfully developed to reflect the meeting theme, “**Precision Foot & Ankle Care in a Diverse Region: Innovation, Outcomes & Collaboration**”. In an era where practice is increasingly guided by data, technology, and outcome measures, “precision” is defined not only by surgical accuracy, but by appropriate patient selection, evidence-based decision-making, reproducible techniques, and multidisciplinary care pathways. This meeting aims to bridge current evidence with practical application across varied healthcare settings and patient populations within our region.

We are honoured to host a distinguished faculty comprising local and international experts who will share their experience, insights, and evolving perspectives. The programme is designed to be balanced and clinically relevant – featuring state-of-the-art updates, technique-focused sessions, case-based discussions, and opportunities for meaningful dialogue. Importantly, it also creates space for critical appraisal of established practices, discussion of controversies, and examination of emerging innovations that may shape the future of foot and ankle care.

A key priority of this meeting is to support learning across all levels of experience. Whether you are a seasoned surgeon, clinician, allied health professional, researcher, or trainee, we encourage you to engage actively, ask questions, and contribute to the exchange of knowledge. We also warmly welcome abstract and e-poster submissions, as they represent the vitality of research and the continuous pursuit of better outcomes for our patients.

We hope you will find the scientific content valuable, inspiring, and immediately applicable in your practice. Thank you for your participation and support, and I look forward to welcoming you to Putrajaya for a stimulating and rewarding scientific meeting.

H0 / Allied Health	RM 600	RM 700	RM 800
International Delegate	USD 400	USD 500	USD 600

Step-by-Step Registration Process

1. Create account
2. Login to account
3. Purchase course from dashboard
4. Upload proof of payment
5. Registration Confirmation will be sent to registered email account once payment verified by our local bank
6. Login to dashboard to download Invoice and Official Receipt

Payment Information

Bank Account Details

All Payments are to be Issued in Favour of:

Account Name : **MALAYSIAN ORTHOPAEDIC FOOT & ANKLE SOCIETY**

Bank Name : **PUBLIC Bank**

Account Number : **3178535517** (MYR)

Bank Address : **No. 1, 3 & 5, Ground Floor, Jalan 52/2, 46200 Petaling Jaya, Selangor, Malaysia**

Swift Code : **PBBEMYKL**

ROS Number : **PPM-008-10-03022012**

Payment Method

- Online Transfer / Local Bank Transfer
- Telegraphic Transfer (for overseas)

IMPORTANT NOTES

- ▶ Please make payment before registering online as registrant is required to upload proof of payment for verification.
- ▶ Please indicate **MOFASASM 2026** under remarks column.

Terms and Conditions

Cancellation Policy

The Conference secretariat MUST be notified in writing of all cancellations / transfer of registration:

- ▶ **Cancellation ON or BEFORE 30th April 2026:** 50% Refund
- ▶ **Cancellation FROM 1st May 2026:** No Refund

- In circumstance where the registrant request for refund of registration fees, MOFAS reserved the right to deduct a 15% administrative fee on the total value of the amount claimed.

Disclaimer

While every effort will be made to ensure that all aspects of the conference proceed as scheduled, the Organising Committee reserves the right to make necessary changes should unforeseen circumstances arise.

Personal Protection Data

Personal information collected by the Conference Secretariat will be used exclusively for this conference.

IMPORTANT NOTES

Please ensure that your email address and mobile number are correct as we will be sending your registration confirmation and e-certificate to your registered email.

Submit Your Abstract NOW!

PRESTIGIOUS Awards Are Available for Grab!

Prestigious Awards

- The award is open to both Malaysian and international abstract submitters.
- Applicants must be fully registered conference delegates, and full payment of registration fees must be completed prior to abstract submission for this award category.
- Research-based abstracts will give priority consideration for Mohd Yazid Bajuri Award (MYBA).
- Five (5) top-scoring abstracts will be shortlisted as finalists and invited to present during a dedicated Award Judging Session held at the conference.
- Each finalist will deliver a 6-minute oral presentation, followed by a 4-minute Q&A session with the appointed judging panel.
- The winner will be announced and the award presented during the Closing Ceremony of the conference.

Guidelines

Submission Guidelines

We have prepared the following abstract guidelines to assist you in preparing your abstract for the congress. Before submitting your abstract, please ensure that you have read the below guidelines carefully. All the information that you should require is included below. It is important to read these carefully when preparing for your submission.

Category

- ✓ Forefoot
- ✓ Midfoot
- ✓ Hindfoot
- ✓ Sports Injuries
- ✓ Trauma / Degenerative Disease
- ✓ Diabetic Foot & Charcot
- ✓ Paediatrics
- ✓ Arthroscopy / Minimally Invasive
- ✓ Reconstruction & Deformity / LLRS
- ✓ Wound Care & Infection
- ✓ Artificial Intelligence / Technology
- ✓ Regenerative Medicine

Guidelines

1. Submission titles should be no longer than **25 words** and must clearly reflect the nature of the presentation.
2. Submissions should not exceed **350 words**, excluding the title, section headings, images, author names, and affiliations. Submissions should be clear, concise, and emphasize key aspects, findings, and conclusions of the study.
3. Font size: **12**
4. Font Type: **Times New Roman**
5. Only standard abbreviations are permitted. Special or uncommon abbreviations should be avoided; if necessary, provide the full term in parentheses when first mentioned.
6. References are not required for submissions.
7. Tables, graphs, and images are allowed, with a **maximum of two** in total per submission. Graphs / Images are to be placed in the allocated areas of the template provided (Can be in PNG / JPG format.)
8. All abstracts must follow the format outlined below for either Case Reports or Original Research and should be as informative as possible:
 - Introduction:** Background and specific objectives of the study.
 - Methods:** Description of the methods, materials, and analytical procedures used.
 - Results:** Summary of relevant results with sufficient detail to support the conclusions.
 - Conclusion:** Final conclusions drawn from the study.
9. **Presenter Commitment:** The author submitting the abstract is expected to present onsite at the congress. Any changes in presenting author due to unforeseen circumstances must be communicated to the Congress Secretariat at ConfSec@mofasasm.com
