Conference Information

OFFICIAL CONFERENCE VENUE

Putrajaya Marriott

IOI Resort City, Putrajaya, 62502 Putrajaya, Selangor, Malaysia
Tel : +603-8949 8888

DELEGATE AND SPEAKER REGISTRATION COUNTER OPENING HOURS

29th July 2026, Wednesday : 1500 – 1700 hrs
30th July 2026, Thursday : 0700 – 1730 hrs
31st July 2026, Friday : 0700 – 1730 hrs
1st August 2026, Saturday : 0700 – 1300 hrs

PARKING

On-Site Parking

Hourly : RM 4.00
Daily : RM 20.00
Weekly : RM 0.00
Per Stay : RM 0.00

Valet

Daily: RM23.00

Electric Car Charging Station

Additional Parking Information

Hotel parking fee is RM 4.00 for first hour and additional RM 3.00 for subsequent hour. Flat rate of RM 12.00 for event guests.

MMA CPD POINT

20 CPD points will be awarded to all delegates who attend the conference from 30th July – 1st August 2026.

Delegates using the **MyCPD app** are requested to approach the onsite event crew to scan and claim their points. The points will be credited instantly upon successful scanning.

For delegates who do not use the **MyCPD app**, attendance records will be submitted manually to the Malaysian Medical Association (MMA) for CPD point allocation. Please allow approximately **2–3 weeks** for the points to be credited.

PRAYER ROOM

The prayer room for Muslim delegates is available on Level 3.

The closest is the Musolla IOI City Mall on the Lower Ground (LG) floor, just a 3 - 5 minutes drive (about 2 km) away inside the neighboring mall complex.

LANYARD

Only those with lanyards and name badge will be allowed into the conference area.

E-POSTERS

E-posters are available on the E-Poster Panels located at the Exhibition and foyer area.

SOUVENIR PROGRAMME

This Final Announcement was prepared in good faith and is correct at the time of preparation. There may be changes in the programme. We apologise for any inadvertent errors which may be present.

LOST & FOUND

The organisers and secretariat will not be held liable in cases of loss, theft or damage to personal belongings. Any found items may be brought to the registration counter.

E-CERTIFICATE OF ATTENDANCE

Digital Certificate of attendance will be available after the conference. Delegates are required to login to the delegate dashboard on the conference website and complete a feedback form before downloading the certificate.

Welcome Message from the President

Professor Dr Mohd Yazid Bin Bajuri

President, Malaysian Orthopaedic Foot & Ankle Society (MOFAS)
Organising Chairperson, 1st Conjoint MOFAS ASM 2026

Assalamualaikum warahmatullahi wabarakatuh and warm welcome to all.

On behalf of the Malaysian Orthopaedic Foot & Ankle Society (MOFAS), it is my great pleasure to welcome you to the 1st Conjoint MOFAS Annual Scientific Meeting 2026, held in conjunction with the SICOT Foot & Ankle Regional Meeting 2026, from 29th July to 1st August 2026 at the Putrajaya Marriott Hotel.

This inaugural meeting represents an important milestone for MOFAS and for the wider foot and ankle community in our region. It provides a timely platform to strengthen clinical excellence and regional partnership, while addressing evolving challenges and opportunities in orthopaedic foot and ankle care. Guided by our theme, “Precision Foot & Ankle Care in a Diverse Region: Innovation, Outcomes & Collaboration”, we aim to highlight how science, technology, and shared expertise can translate into better decision-making, measurable outcomes, and improved patient mobility. Our tagline, “Precision Today, Mobility Tomorrow”, reflects our commitment to delivering care that is not only advanced, but meaningful and sustainable for the patients we serve.

We have curated a dynamic programme designed to support both daily practice and future-ready development - featuring evidence-based updates, practical insights, and thought-provoking discussions across a range of subspecialty topics. Beyond the scientific content, the meeting is also an opportunity to connect with colleagues, exchange perspectives, and build enduring collaborations across institutions and borders.

We also acknowledge, with appreciation, the support of our sponsors and industry partners. Their contribution helps to broaden educational access and supports innovation in a manner aligned with professional integrity and patient benefit. We look forward to a mutually beneficial partnership that supports the advancement of foot and ankle care.

Whether you are joining as a surgeon, clinician, allied health professional, researcher, or trainee, we warmly invite you to participate fully - engage in the sessions, share your experiences, and take part in the collegial exchange that defines a meaningful scientific meeting. I am confident that this combined meeting will be both intellectually rewarding and professionally enriching, and that it will serve as a strong foundation for MOFAS meetings in the years ahead.

Thank you for your support, and I look forward to welcoming you personally in Putrajaya.

Welcome Message from the Scientific Chairperson

Dr Mohd Fadhli Bin Miskon

Scientific Chairperson, 1st Conjoint MOFAS ASM 2026

On behalf of the Scientific Committee, it is my privilege to welcome you to the 1st Conjoint MOFAS Annual Scientific Meeting 2026, held in conjunction with the SICOT Foot & Ankle Regional Meeting 2026, from 29 July to 1 August 2026 at the Putrajaya Marriott Hotel.

The scientific programme has been thoughtfully developed to reflect the meeting theme, “**Precision Foot & Ankle Care in a Diverse Region: Innovation, Outcomes & Collaboration**”. In an era where practice is increasingly guided by data, technology, and outcome measures, “precision” is defined not only by surgical accuracy, but by appropriate patient selection, evidence-based decision-making, reproducible techniques, and multidisciplinary care pathways. This meeting aims to bridge current evidence with practical application across varied healthcare settings and patient populations within our region.

We are honoured to host a distinguished faculty comprising local and international experts who will share their experience, insights, and evolving perspectives. The programme is designed to be balanced and clinically relevant – featuring state-of-the-art updates, technique-focused sessions, case-based discussions, and opportunities for meaningful dialogue. Importantly, it also creates space for critical appraisal of established practices, discussion of controversies, and examination of emerging innovations that may shape the future of foot and ankle care.

A key priority of this meeting is to support learning across all levels of experience. Whether you are a seasoned surgeon, clinician, allied health professional, researcher, or trainee, we encourage you to engage actively, ask questions, and contribute to the exchange of knowledge. We also warmly welcome abstract and e-poster submissions, as they represent the vitality of research and the continuous pursuit of better outcomes for our patients.

We hope you will find the scientific content valuable, inspiring, and immediately applicable in your practice. Thank you for your participation and support, and I look forward to welcoming you to Putrajaya for a stimulating and rewarding scientific meeting.

0930	1230	Please proceed to HALL A for more programme
1230		End of Main Congress

Celebrating Excellence:

Mohd Yazid Bajuri (MYB) Award

Finalists

Congratulations on making it to the final stage.
Good luck with your live **oral** presentation!

Schedule:

1st August 2026 (Saturday)

0950 hrs - 1045 hrs (09:50 AM - 10:45 AM)

Hall A

(MPICC II, Level ML, Putrajaya Marriott)

NO.	ABSTRACT ID	FINALISTS	TITLE
MYB 1	ABST003	MOHD SHAHRIL JAAPAR	COMPARISON CLINICAL AND RADIOLOGICAL OUTCOME OF ARTHROSCOPIC AUTOLOGOUS MATRIX INDUCED CHONDROGENESIS USING CHITOSAN HYDROGEL SCAFFOLD VERSUS ARTHROSCOPIC MICROFRACTURE FOR OSTEOCHONDRAL INJURY OF TALUS
MYB 2	ABST022	MUHAMAD NAZRI BIN AMAHD UNONIS	DOES PRECISION MATTER? CORRELATING POSTOPERATIVE RADIOGRAPHIC ALIGNMENT WITH OUTCOMES IN CHARCOT NEUROARTHROPATHY TREATED WITH HINDFOOT FUSION TIBIOTALOCALCANEAL NAIL – A CASE SERIES
MYB 3	ABST006	MOHAMAD HIFZHAN ARIMI	EFFECTIVENESS OF NEUROMUSCULAR ELECTRICAL STIMULATION IN REDUCING POSTOPERATIVE ANKLE SWELLING COMPARED WITH CONVENTIONAL RICE THERAPY: A PILOT PROSPECTIVE CLINICAL TRIAL
MYB 4	ABST069	RIDHAYAH AZIHA BINTI ROSLI	EFFECTIVENESS OF ARTIFICIAL INTELLIGENCE IN DETERMINING FOOT PATHOLOGIES AND DESIGNING INSOLES USING DIGITAL PHOTOGRAPH AND PLAIN RADIOGRAPH
MYB 5	ABST064	PHILIP LEW WEI SHENG	ARTIFICIAL INTELLIGENCE IN THE MANAGEMENT OF DIABETIC FOOT ULCERS
MYB 6	ABST067	ANG JIT SHEN	EFFICACY OF INJECTABLE METFORMIN COMBINED WITH PLATELET-RICH PLASMA IN CHARCOT ARTHROPATHY ANIMAL MODEL

In the Spotlight: **Syah Irwan (SI) Award** *Finalists*

Congratulations! Wishing you every success
in your **e-poster** presentation!

Schedule:

1st August 2026 (Saturday)

0830 hrs - 0930 hrs (08:30 AM - 09:30 AM)

Hall B

(Selangor, Level 1, Putrajaya Marriott)

NO.	ABSTRACT ID	FINALISTS	TITLE
SI 1	ABST071	THEENESH THEYVAN BALAKRISHNAN	THE IPOH-MANCHESTER ALGORITHM FOR CHARCOT (IMAC) 2026: A CONCEPTUAL SYSTEMIC TAXONOMY FOR DESCRIPTION, PLANNING AND LIMB SALVAGE.
SI 2	ABST068	ANDI PRAJA WIRA YUDHA LUTHFI	SUCCESSFUL SALVAGE OF REFRACTORY INFECTED FIRST METATARSAL NONUNION USING A FREE VASCULARIZED FIBULAR GRAFT AFTER MULTIPLE FAILED RECONSTRUCTIONS: A CASE REPORT
SI 3	ABST066	ANDI PRAJA WIRA YUDHA LUTHFI	TENDON RECONSTRUCTION FOR RECURRENT LATERAL ANKLE INSTABILITY AFTER FAILED PRIMARY AND REVISION ATFL REPAIR IN AN OBESE ADOLESCENT WITH GENERALIZED JOINT HYPERMOBILITY: A CASE REPORT
SI 4	ABST032	MUHAMAD NAZRIN BIN MUSTAFA	THE IMMUNO-MODULATORY AND REGENERATIVE EFFECTS OF A HYALURONIC ACID/TYPE II COLLAGEN (HA/COLII) HYDROGEL IN AN EX VIVO INFLAMMATORY MODEL OF BOVINE INTERVERTEBRAL DISC DEGENERATION
SI 5	ABST059	AMRI BIN DAHDI	NECROTIZING SOFT TISSUE INFECTION MICROBIOLOGICAL DISTRIBUTION FROM DISTRICT REGION: A 8 YEARS RETROSPECTIVE ANALYSIS
SI 6	ABST041	BAGUS IMAN BRILIANTO	OSTEOLIGAMENTOUS ALLOGRAFT FOR RECONSTRUCTION OF TRAUMATIC DISTAL FIBULAR BONE LOSS
SI 7	ABST065	FARIS AIMAAN BIN SARIFULNIZAM	COMPARATIVE OUTCOMES OF VITAMIN B AND COMBINATION THERAPY IN DIABETIC NEUROPATHY WITH FOOT ULCERS

"A **unique** treatment option of HA viscosupplementation, Hyruan ONE"

- **Human synovial fluid-like** viscoelasticity¹
- User-friendly injection kit with a **thin-wall needle**
- **HICE cross-linking technology*** for efficient cross-linking and high viscoelasticity¹
- **Single time injection** to increase compliance of patients with knee osteoarthritis

Hyruan ONE®

Post-injection Care Set

Hyruan ONE® is a unique high molecular weight crosslinked HA developed by LG Chem with HA expertise for more than 25 years.

HICE, high concentration equalized; *Higher cross-linking ratio less pendant modification
Reference. 1. LG Chem. Data on file. Hyruan ONE® study report. RCH-SA-002

[Composition] BDDE-crosslinked sodium hyaluronate gel in 1 prefilled syringe
(BDDE-crosslinked sodium hyaluronate 60 mg)

[Volume] 3.0 mL

[Indication] Osteoarthritis in knee joint

[Dosage] Single dose for single injection. Should be injected once per treatment course.

[Shelf-life] 24 Months

[Storage Condition] Store at 2~25°C free from light, in a hermetic container

[Packaging Unit] 1 Prefilled syringe / Box
